

MERRY CHRISTMAS AND HAPPY NEW YEAR!

*Dear fellow citizen,
The end of year brings us no greater pleasure
than the opportunity to share with you the
season's greetings and good wishes.*

Our team "**CHALABRE WITH YOU - FOR YOU**",
candidate at the forthcoming local election, wishes you
a wonderful holiday season and the very best for 2026!

**May this festive season be a peaceful and magical
interlude for all of you**, dedicated to sharing with family
and friends moments of joy and happiness.

May 2026 be a pleasant and harmonious year, may it
bring you opportunities and success and of course good
health, without which nothing is possible.

As you are aware, **2026 is to be a special year for all the
French villages**, towns and cities that will be electing
new municipal councils. For us in Chalabre, it's an
amazing opportunity to reconnect our community with
the municipal team and **together build a Chalabre
which reflects who we are.**
